Creating Your Site

Click "Sign Up" and create your new account

The screenshot shows the Yola website's sign-up page. At the top, a yellow box with a blue border contains the text "Click 'Sign Up' and create your new account". A yellow arrow points from this box to the "Sign Up" button in the top navigation bar. The navigation bar includes the Yola logo, the tagline "taking business online", a language selector set to "English", a phone number "Call us at: 1.866.764.0701", and buttons for "Log In" and "Sign Up". Below the navigation bar is a blue banner with the text "Sign up". The main content area features a sign-up form with three input fields: "Name" (filled with "Helen Morrison"), "Email" (filled with "hmorrison@ket.org"), and "Password" (filled with six dots). A pink "Create Account" button is positioned below the form fields.

Choose “Start with Free”

Enter your name or class, choose “Education”, and click “Build it”

The screenshot shows a web browser window with the Yola website builder interface. The browser's address bar displays `sitebuilder.yola.com/en/ide/index.jsp?flow=first`. The page title is "Create a new site". Below the title, there is a text input field labeled "Enter your business name (or your name)" containing the text "Ms. Morrison's Class". Below this field is a section titled "Please pick a website category (to help us build you the perfect site)". This section contains a grid of 18 category icons with labels: Artist/Photographer, Building & Construction, Clothing & Fashion, Consultants, Education, Food & Restaurants, Health & Fitness, Home Decor, Music & Performing Arts, Organizations & Non-profits, Pets, Real Estate, Religious, Spa & Beauty, Travel & Hotel, Wedding, Personal, and Other. The "Education" category, which features a stack of books icon, is highlighted with a yellow border. A yellow arrow points from the text "Enter your name or class, choose 'Education', and click 'Build it'" to the "Education" category. Another yellow arrow points from the same text to the "Build it" button, which is a blue button located at the bottom right of the form. The browser's taskbar at the bottom shows various application icons, including Finder, Calendar, Photos, Music, and several web browsers.

To go back to the edit page, click here.

The screenshot shows the Yola website dashboard in a Chrome browser. The browser's address bar displays the URL: `my.yola.com/dashboard/8a49866a38464d990138480a17fc1d2b/`. The dashboard features a sidebar on the left with navigation links: My Yola, Site traffic, Domains, Online Store, Local Boost, Yola Mail, and Account (with sub-links for Profile and Payment methods). At the bottom of the sidebar is a link to "Read the Yola Blog".

The main content area includes a welcome message: "Hello helencmorrison, welcome to My Yola!". Below this, a message states: "Not sure what to do next to improve your website? Here's an idea: Pick a site design style and layout that's just right for you. [Open Sitebuilder](#)". Another message asks: "Need a hand? [Get answers now.](#)".

On the right side, there is a box for "Account status: Free package" and a promotion for "Yola Premier" with a "Learn more" link.

The "Site Count: 2 of 2" section shows a dropdown menu for "Select Site:" with "Ms. Morrison's Class" selected. Below this, the site "Ms. Morrison's Class" is listed with a link to "Advanced settings".

A status message indicates: "Your site isn't published yet. Only you can see it." Below this, it says "Site published to: Site not published" and provides a link to "Customize your domain". A prominent red button labeled "Edit website" with a right-pointing arrow is located at the bottom of this section. A yellow arrow from the top of the page points directly to this button.

The browser's taskbar at the bottom shows various application icons, including Finder, Calendar, Photos, Music, and several web browsers.

Layout

The image is a screenshot of a web browser displaying the Yola website builder interface. At the top, a yellow banner contains the instruction "Click on the 'text' widget and drag it to your panel." The browser's address bar shows the URL "sitebuilder.yola.com/en/ide/index.jsp". The page being edited is titled "Our School" and contains a paragraph of text about the school's facilities. A yellow arrow points from a "Text" widget in the "Widgets" panel on the right to a designated area on the page. The "Widgets" panel lists various options like Basic, Text, Picture, Picture Gallery, HTML, Column Divider, Horizontal Line, Multimedia, Social, Widget Collections, and Communicate. The bottom of the screen shows a Mac OS X dock with various application icons.

Click on the “text” widget and add some text.

Use the formatting bar to edit your text.

The screenshot shows the Yola website builder interface within a Chrome browser window. The browser's address bar displays `sitebuilder.yola.com/en/ide/index.jsp`. The Yola logo is in the top left corner. The top navigation bar includes links for `Site`, `Page`, and `Page: index`. The main editing area contains a text widget with the text: "Our beautiful campus includes state-of-the-art technology in all classrooms, age-appropriate areas for children from kindergarten through grades. Our experienced, skilled teaching staff work together as a team to guide your child through her academic journey. Come [visit us!](#)". A color selection palette is visible next to the text widget. Below the text widget is an orange button that says "Don't Forget!! Field Day is next Friday!". To the right of the text widget is a large image of children sitting around a globe. A sidebar on the right contains a "Widgets" panel with various widget options: Text, Picture, Picture Gallery, Column Divider, HTML, File, Horizontal Line, Custom Panel, and Online Store. The bottom toolbar includes icons for various applications and services, including Google, Yahoo, and various social media and utility tools.

Appearance

You can change the layout of your site here.

The screenshot displays the Yola website builder interface within a Chrome browser. The browser's address bar shows the URL `sitebuilder.yola.com/en/ide/index.jsp?flow=first`. The Yola logo is in the top left corner. The top navigation bar includes links for "Site", "Page", and "Page: index", along with "Save", "Preview", and "Publish to the web" buttons. The main content area shows a preview of a website for "Ms. Morrison's Class" with a header image and a text block titled "Introduction". Below the preview, a "Layout" panel is open, showing a grid of layout templates. A yellow arrow points from the text "You can change the layout of your site here." to the "Layout" panel. The bottom of the interface features a toolbar with tabs for "Layout", "Style", "Font", and "Widgets". The macOS dock is visible at the bottom of the screen.

Adding a Blog for Assignments

Click on "Page" and select "Add New Page"

The screenshot shows the Yola website builder interface. At the top, a yellow callout box with a blue border contains the text "Click on 'Page' and select 'Add New Page'". A yellow arrow points from this box to the "Page" dropdown menu in the top navigation bar. The "Page" menu is open, showing options: "Add New Page", "Save Page As...", "Page Properties...", "Page Manager...", and "Delete Page...". The "Add New Page" option is highlighted. The background of the interface is a map of North America with the text "Morrison's Class" in large red letters. Below this, there are four small images: a stack of books with a red apple, a green apple, a globe, and a stack of books with a graduation cap. The text "Home" is visible below the images. At the bottom, there is a large white box with the text "Ms. Morrison's Class prepares your child for success!". The bottom of the screen shows a Mac OS X dock with various application icons.

Ms. Morrison's Class prepares your child for success!

Layout Style Font Widgets

Choose "Blog" type and give the page a name.

The screenshot shows the Yola website builder interface in a Chrome browser. A yellow arrow points from the instruction text to the 'Blog' option in the 'New Page' dialog box. The dialog box is titled 'New Page' and has a close button (X) in the top right corner. It contains the following fields and options:

- Type:** A dropdown menu with 'Blank page' and 'Blog' (selected with a checkmark).
- Name:** A text input field with a red asterisk, currently empty. Below it is the text 'The name of your page'.
- Heading:** A text input field containing 'Ms. Morrison's Class'. Below it is the text 'Display in the page header'.
- Display in navigation:** A checked checkbox.
- Password protect:** An unchecked checkbox.
- Buttons:** 'Cancel' and 'OK' buttons at the bottom right.

The background shows a website template for 'Ms. Morrison's Class' with a map of the United States and a photo of a desk with books and an apple. The browser's address bar shows 'sitebuilder.yola.com/en/ide/index.jsp'. The top navigation bar includes 'Site', 'Page', and 'Page: index'. The bottom navigation bar includes 'Layout', 'Style', 'Font', and 'Widgets'.

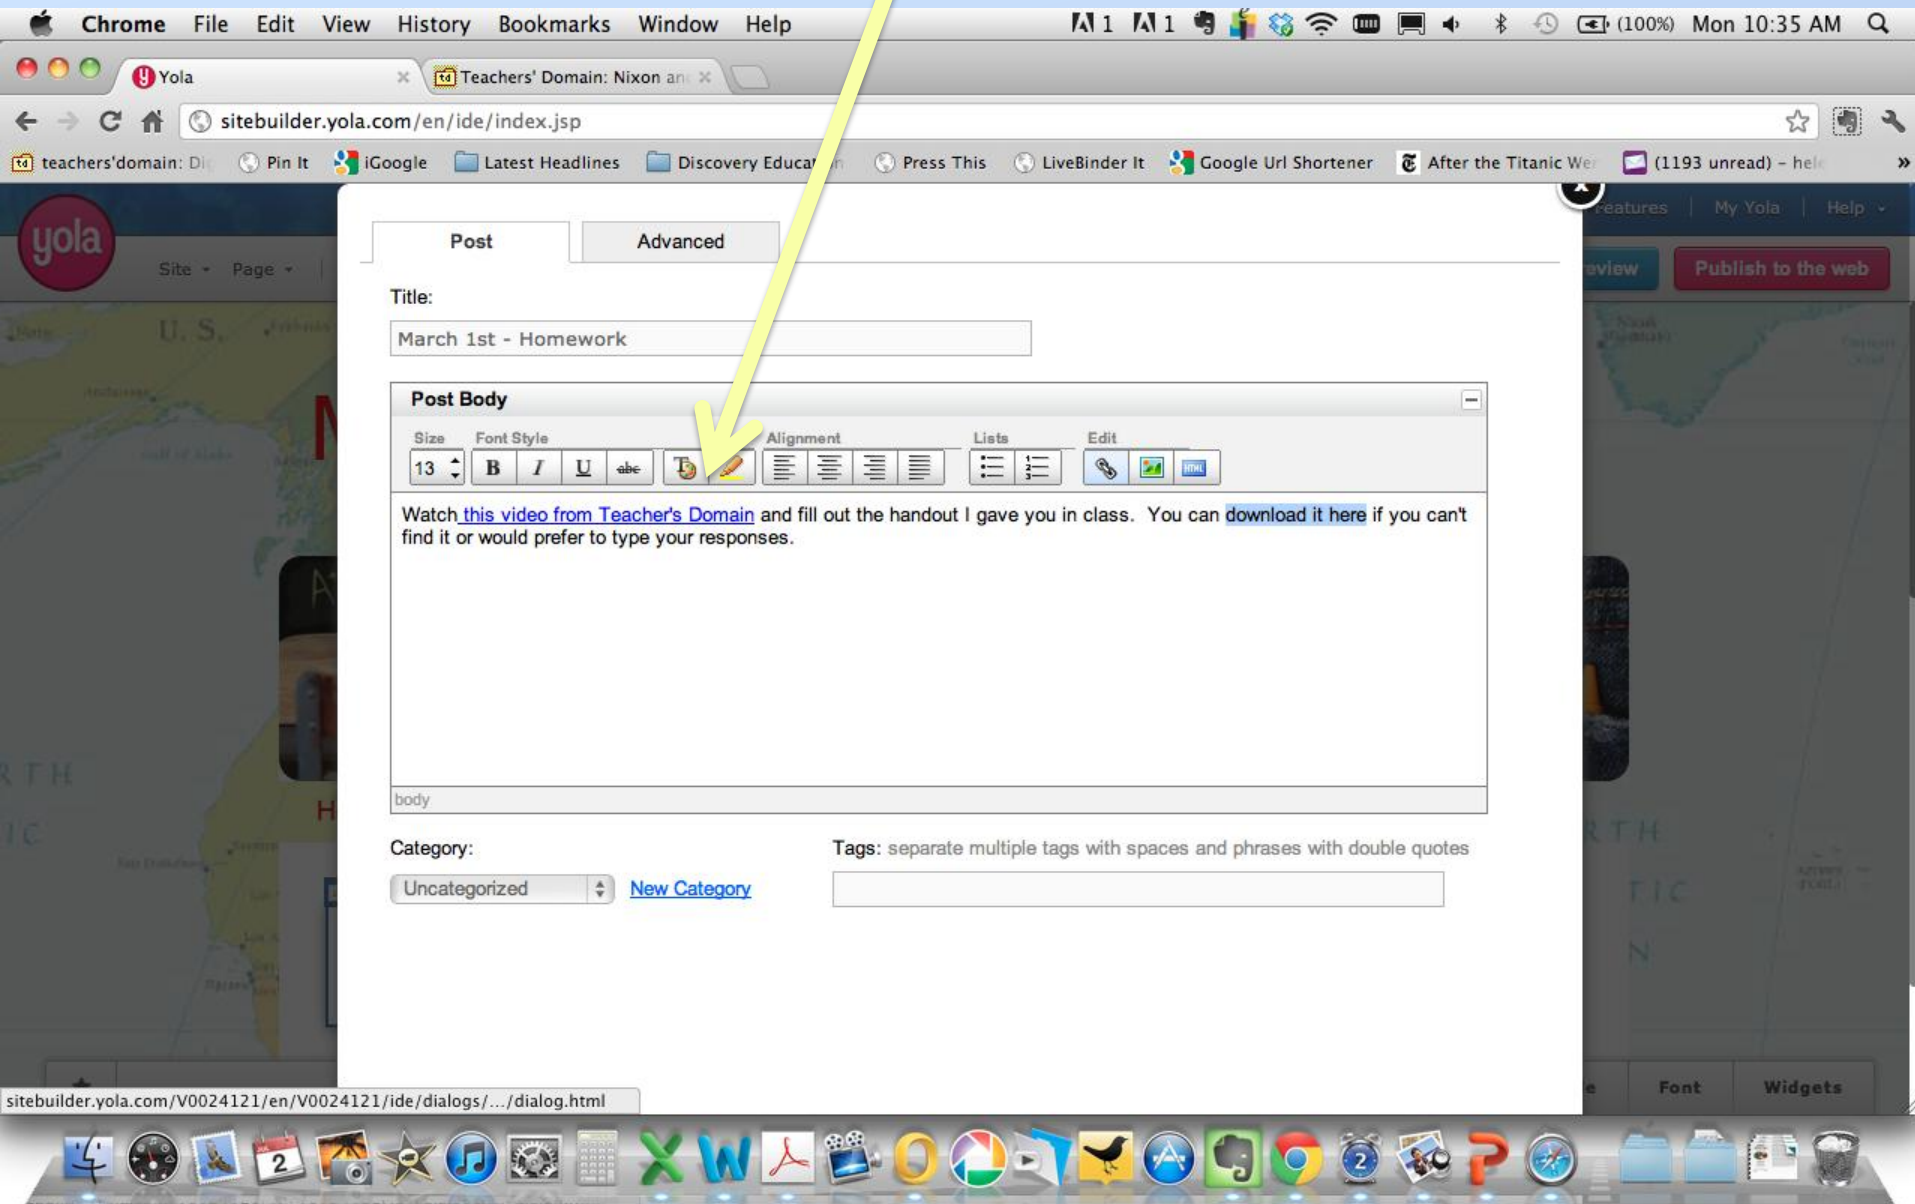

Here is where you would password protect a specific page.

The screenshot shows the Yola website builder interface in a Chrome browser. The address bar displays `sitebuilder.yola.com/en/ide/index.jsp`. The background shows a website template for "Ms. Morrison's Class" with a map and a desk. A "New Page" dialog box is open in the center, with a yellow arrow pointing to the "Password protect" checkbox. The dialog box contains the following fields and options:

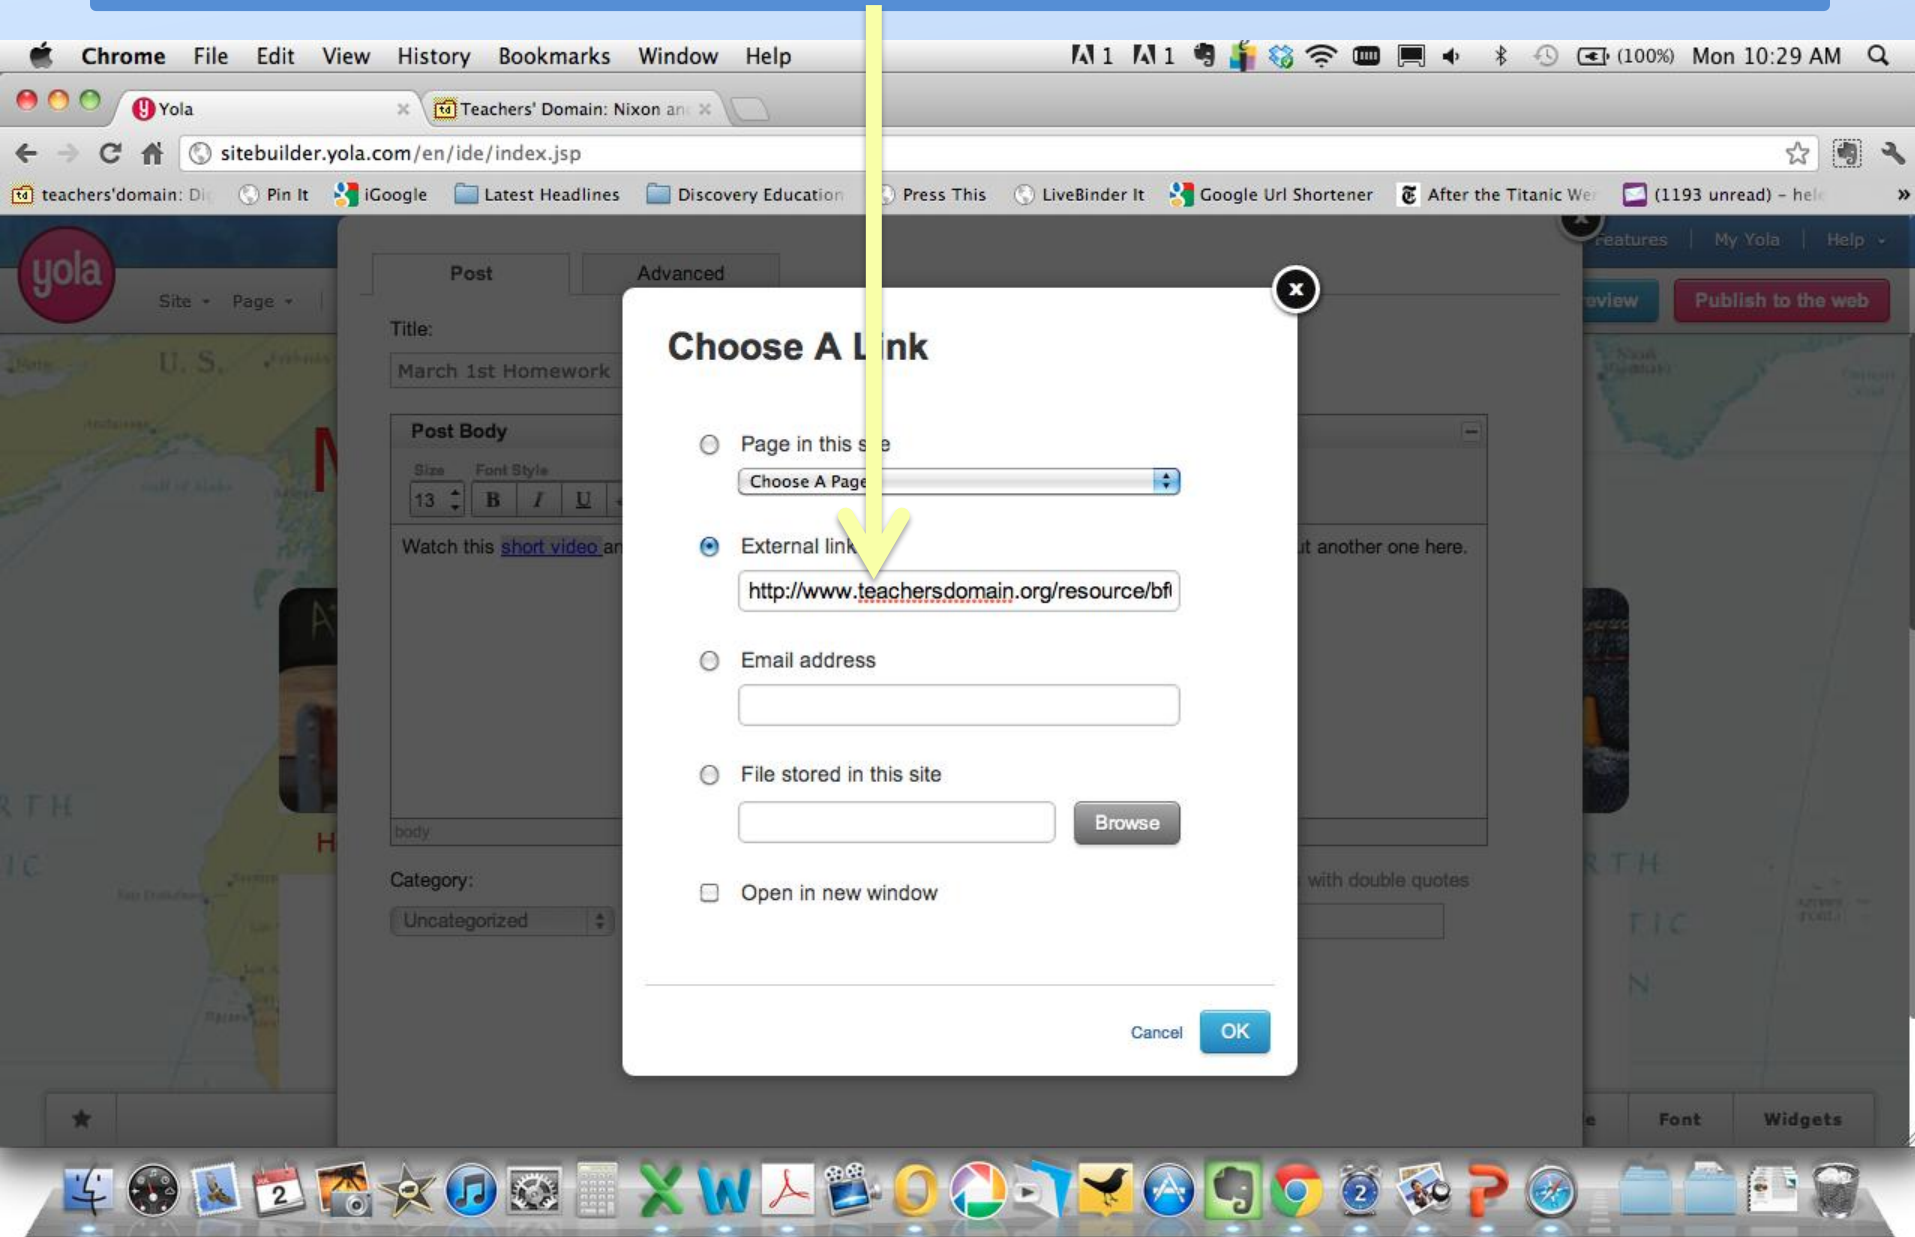

- Title:** Blank Page
- Type:** Blog (selected)
- Name:** (empty field, with a red asterisk indicating it is required)
- Heading:** Ms. Morrison's Class
- Display in navigation:** ☒ (checked)
- Password protect:** ☐ (unchecked)

The dialog box has "Cancel" and "OK" buttons at the bottom right. The Yola logo is in the top left corner, and the user's email address, `helencmorrison@yahoo.com`, is in the top right corner. The bottom of the screen shows a Mac OS X dock with various application icons.

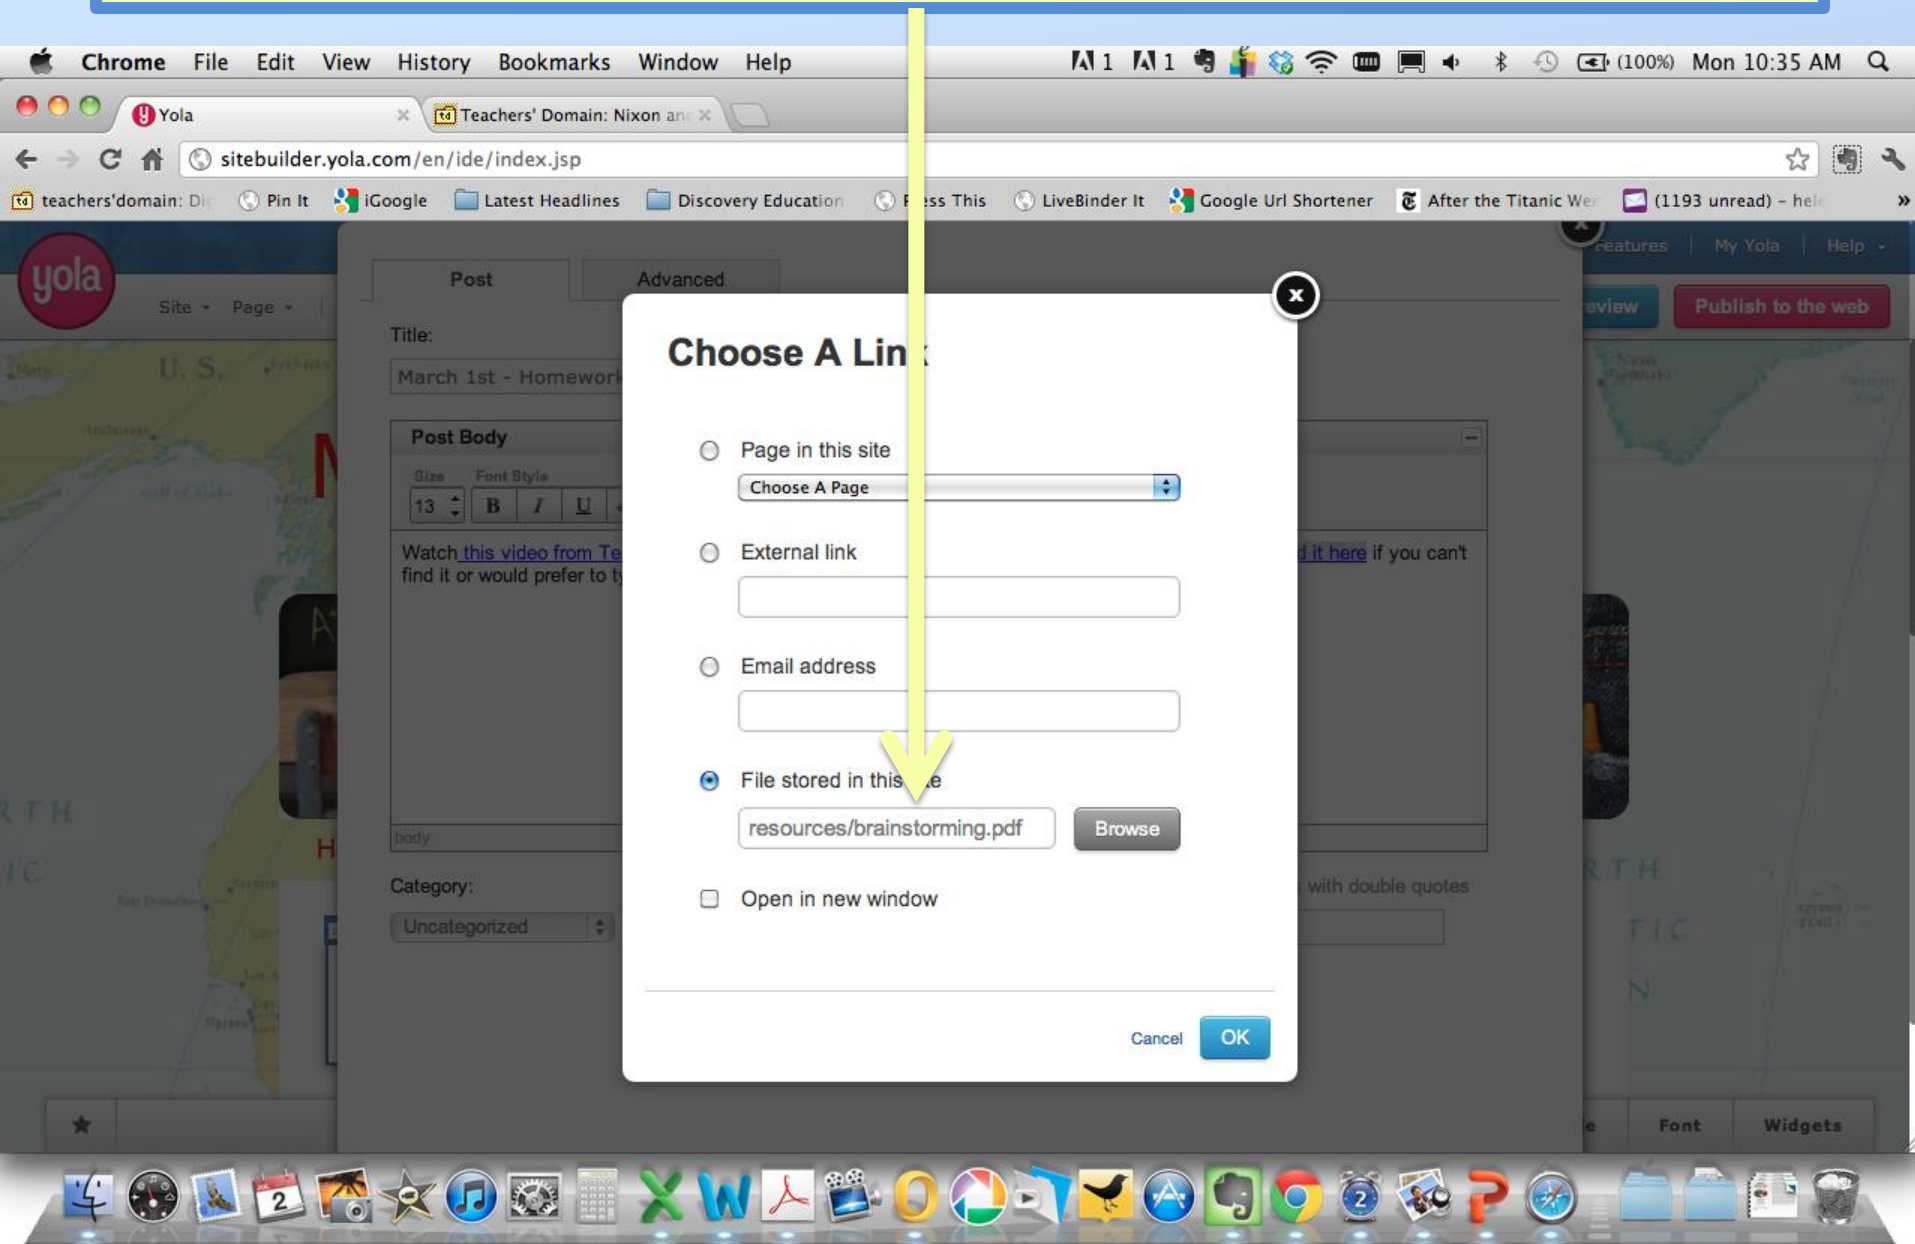

You can add links and images to posts.

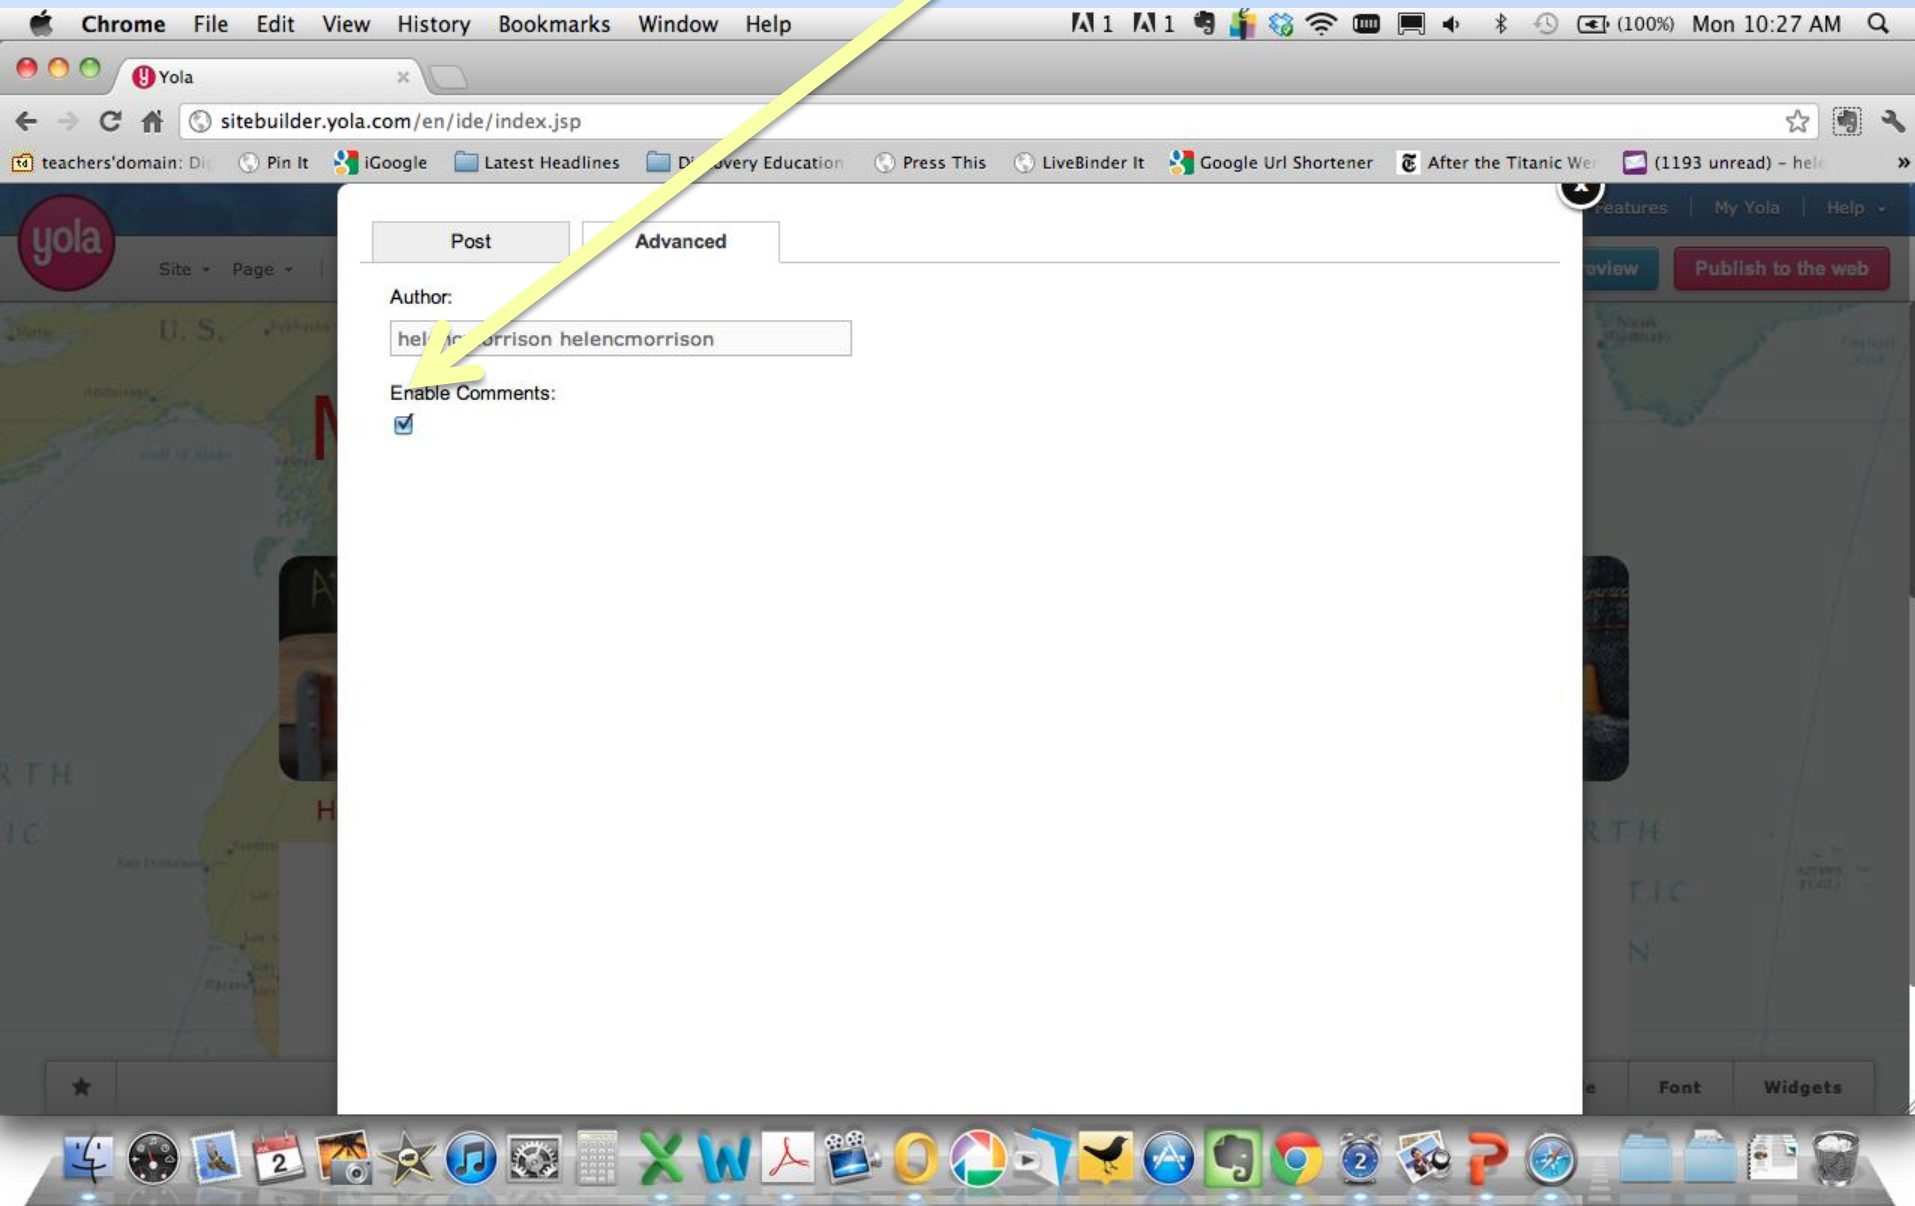

You can link to external sites, your other yola pages, email . . .

and files you have uploaded to the file manager.

The “Advanced” tab let’s you enable or disable comments.

Type a post. BE SURE TO HIT OK !!!

The screenshot shows a web browser window with the Yola website builder interface. A modal dialog box is open for creating a new post. The dialog has a title bar with the text "March 1st - Homework". Inside the dialog, there is a "Post Body" section with a rich text editor toolbar (Size, Font Style, Alignment, Lists, Edit) and a text area containing the text: "Watch [this video from Teacher's Domain](#) and fill out the handout I gave you in class. You can [download it here](#) if you can't find it or would prefer to type your responses." Below the text area is a "Category:" dropdown menu set to "Uncategorized" with a "New Category" link. To the right is a "Tags:" field with the text "Homework, video, nixon". At the bottom right of the dialog are "Cancel" and "OK" buttons. A large yellow arrow points from the instruction "Type a post. BE SURE TO HIT OK !!!" at the top of the image to the "OK" button.

This time choose blank, name it and click ok.

The screenshot shows the Yola website builder interface in a Chrome browser. The browser's address bar displays `sitebuilder.yola.com/en/ide/index.jsp`. The page title is "teachers'domain: Nixon an". The Yola logo is in the top left corner. The main content area shows a preview of a website with a map background and the text "Ms. Mor". A "New Page" dialog box is open in the center, with a yellow arrow pointing to the "Blank Page" option in the "Type" dropdown. The dialog box contains the following fields and options:

- Type:** Blank Page (selected)
- Name:** (empty text box)
The name of your page
- Heading:** Ms. Morrison's Class
Display in the page header
- ☒ Display in navigation
- ☐ Password protect

At the bottom of the dialog box are "Cancel" and "OK" buttons. The background website preview includes a "Home Assignments" link and a "March 1st - About Me" section. The bottom of the screen shows a Mac OS X dock with various application icons.

Go back to LiveBinders and click "Back to Site"

The screenshot shows a Chrome browser window with several tabs open: Yola, Teachers' Domain: Nixon, iGoogle, Yola.p... - Google Docs, Richard Nixon - LiveBinder, and Google Url Shortener. The address bar shows the URL www.livebinders.com/play/play_or_edit?id=394045. The LiveBinders page is titled "Richard Nixon" and lists the author as "histcoach". It features a navigation bar with buttons for "Nixon Visits China", "China Taiwan Cartoon", "Ping Pong Diplomacy", "Nixon Visits Moscow", "SALT I Treaty", "Salt I Treaty Cartoon", "Nixon in China (The Film)", "Silent Majority Speech", "New Federalism", "Stagflation", "The Americans Reading 794-801", and "Nixon Flashcards". The main content area displays an embedded PBS website titled "NIXON'S CHINA GAME". The PBS website has a navigation bar with links for "PBS HOME", "PROGRAMS A-Z", "TV SCHEDULES", "WATCH VIDEO", "DONATE", "SHOP PBS", and "SEARCH PBS". The main content of the PBS site includes a "KISSINGER INTERVIEW" section titled "The Nixon Visit - (February 21-28, 1972)" with a description: "The week that changed the world," as President Nixon called his historic 1972 visit to China, made for a eight-day television extravaganza — and a public relations coup for hosts and guests alike. For eight days and nights, American television audiences tuned in". A photograph of the Tiananmen Gate in Beijing is also visible. The bottom of the screenshot shows the Mac OS X dock with various application icons.

Be sure to choose the FREE version

The screenshot shows a web browser window with the Yola website builder interface. The browser's address bar shows the URL `sitebuilder.yola.com/en/ide/index.jsp#`. The page title is "Publish your site to the web." The main content area has two options for publishing:

- Search for a custom domain:** This section shows a search for `msmorrisonsclass.com`. The status is "Congratulations. Your domain is available!". A blue "Next" button is to the right.
- Get a free Yola subdomain:** This section shows a search for `msmorrisonsclass.yolasite.com`. The status is "Subdomain is available!". A blue "Next" button is to the right.

A yellow arrow points from the top banner to the "Next" button for the free subdomain option. Below these options, there is a section titled "Already own a domain?" which mentions Yola Silver and Bronze hosting packages. At the bottom of the page, there is a section titled "Your site is not yet published" with a warning icon and text.

My Yola Help

Publish your site to the web.

Buy a domain name to make your site look more professional. Ours is **www.yola.com**. Get yours before someone else does!

Search for a custom domain:

www. .com **Congratulations. Your domain is available!** [Next](#)

Get a free Yola subdomain:

.yolasite.com **Subdomain is available!** [Next](#)

Already own a domain?

The **Yola** Silver and Bronze hosting packages let you point your domain purchased elsewhere with your Yola site. It is easy. [Point your domain now.](#)

Your site is not yet published

When you're ready to publish your site, click the "Publish" button in the top right corner of the editor. This will upload your site to the web and make it accessible to the world.

Deleting Your Site

To delete your site, go to site settings

The screenshot shows the Yola website builder interface in a Chrome browser. The address bar displays the URL: `sitebuilder.yola.com/en/ide/index.jsp?siteid=8a49866a38464d990138480a17fc1d2b`. The top navigation bar includes the Yola logo, a 'Site' dropdown menu, a 'Page' dropdown menu (currently showing 'index'), and buttons for 'Save', 'Preview', and 'Publish to the web'. The 'Site' dropdown menu is open, showing options: 'New Site...', 'File Manager...', and 'Site Settings...'. A yellow arrow points from the text 'To delete your site, go to site settings' to the 'Site Settings...' option. The main workspace shows a website preview with the heading 'Ms. Morrison's Class' and a background image of a forest path. Below this, there's a section titled 'Ms. Morrison's Class gets the job done!' and another titled 'About Us' with the text 'We are reliable professionals with over 30 years of...'. A 'Widgets' panel is open on the right, showing various widget categories like Basic, Multimedia, Social, Widget Collections, and Communicate. A yellow notification box in the bottom left corner states: 'Your site is not yet live. When you're ready to share it with the world, Publish your site by clicking the pink "Publish to the web" button.' The bottom of the screen shows the macOS dock with various application icons.

Delete Your Site

Are you sure you want to delete this site?

Type "DELETE" to confirm:

Delete Site

What happens if I delete my site?

If you have a site in your account that you no longer need, you can easily delete it. Please be sure you want to do this, as **once a site is deleted there is no way to recover it!**

If your site is published, deleting your site will also cause it to become unpublished. If you published to a subdomain, this will release the subdomain and make it available for public use. If you published to your own domain, you will still be the owner of that domain and you will be able to publish another site in your account to that address.

Your site is not yet live

When you're ready to share with the world, [Publish](#) by clicking the pink button.
